We do not select the investment options available for investment in your Plan. By recommending allocations among the available investment options, we are not endorsing the selection of particular investment options available in your Plan.

AAG will not be liable to you for any loss caused by (1) our prudent, good faith decisions or actions, (2) following your instructions, or (3) any person other than AAG or its affiliates who provides services for your account. AAG will not be liable to you for any losses resulting from your disclosure of your personal information or your PIN number to third parties even if the purpose of your disclosure is to enable such person to enroll you in, or cancel your enrollment in, the Managed Accounts Service. AAG is not responsible for voting proxies for the securities in your account. DESCRIPTION OF SERVICES AND FEES

Your employer or Plan Administrator/Trustee has agreed to make the below service offered by Advised Assets Group, LLC ("AAG") available to you.

Managed Accounts: Managed Accounts is a tool for participants who wish to have a qualified financial expert select among the available investment options and manage their retirement plan accounts for them. You will receive a personalized investment portfolio that reflects your Plan investment options and your retirement timeframe, life stages and overall financial picture, including assets held outside the Plan (if you elect to provide this information), which may be taken into consideration when determining the allocation of assets in your Plan account (AAG will not provide advice for, recommend allocations of, or manage your outside or non-Plan assets). Under the Managed Accounts Service, AAG has discretionary authority over allocating your assets among the Plan's core investment options, without your prior approval of each transaction. AAG is not responsible for either the selection or maintenance of the investment options available within your Plan. AAG does not provide advice for, or recommend allocations of individual stocks, self-directed brokerage accounts, or any funds with a liquidity restriction. Your balances in individual stock (including employer stock), or employer-directed monies may be liquidated, subject to your Plan's and/or investment provider's restrictions. You may be required to liquidate your self-directed brokerage account fund prior to, or as a condition of, enrolling in Managed Accounts, subject to Plan and/or investment provider restrictions.

Managed Accounts assets in the Plan's core investment options will be automatically monitored, and may be rebalanced and reallocated every quarter by AAG, based on data resulting from the methodologies and software employed by the independent financial expert ("Independent Financial Expert"), to respond to market performance and to ensure optimal account performance over time. You will receive an account update and forecast statement annually and can update your personal information at any time by calling AAG at your Plan's existing toll-free customer service number or by visiting your Plan's website.

The tiered pricing described in the table below applies to Managed Accounts. It demonstrates annual fees for the Managed Accounts Service, which are collected quarterly at the end of each quarter. You will be charged a quarterly fee based on your account balance that AAG manages on the day the fee is debited. The fee for that quarter will generally be debited from your account within the last five (5) to seven (7) business days of each quarter; however, if you cancel your participation in Managed Accounts, the fee for that quarter will be based on your account balance on the date of cancellation and will be debited from your account within five (5) to seven (7) business days prior to the end of each quarter. If your Plan terminates its agreement with AAG, the fee for that quarter, based on your account balance on the date of termination, will be debited on the termination date. The fee you are charged depends on the Plan you participate in, and in certain instances, the annual fee for the Managed Accounts Service may actually be lower than the annual fee depicted below. For the exact annual fee applicable to your Plan, please refer to the communication materials provided by AAG or call your client service representative.

Participant Account Balance	Annual Managed Account Fee
<\$100,000.01	0.65%
Next \$150,000	0.55%
Next \$150,000	0.45%
>\$400,000	0.35%

For example, if your account balance subject to Managed Accounts is \$50,000, the maximum annual fee is 0.65% of the account balance. If your account balance subject to Managed Accounts is \$500,000, the first \$100,000 will be subject to a maximum annual fee of 0.65%, the next \$150,000 will be subject to a maximum annual fee of 0.55%, the next \$150,000 will be subject to a maximum annual fee of 0.45%, and any amounts over \$400,000 will be subject to a maximum annual fee of 0.35%.

Your acceptance of the terms and conditions of this Agreement constitutes your authorization for AAG to deduct the annual fee on a quarterly basis. The fees are subject to change. AAG reserves the right to offer certain plans discounted fees or other promotional pricing.

Certain investment options in your Plan may charge a redemption fee. Redemption fees vary in amount and application from investment option to investment option. It is possible that transactions initiated by AAG under Managed Accounts may result in the imposition of a redemption fee on one or more investment options available in your Plan. Any redemption fees will be deducted from your account balance.

If you participate in Managed Accounts, you must allocate all of your participant-directed account balance to the Managed Accounts Service. You may not invest in other core investment options while also participating in Managed Accounts. Once enrolled in Managed Accounts, you will no longer be able to make investment allocation changes to your account on line, via paper, or through your Plan's existing toll-free customer service number. This includes functionality for fund-to-fund transfers, change fund allocations, or utilization of dollar cost averaging and/or rebalancer. Once enrolled, you retain full inquiry access to your account and, if eligible, you may still request and be approved for loans and take a distribution. The aforementioned functionality will be restored to your account the next business day markets are open after you cancel participation in Managed Accounts.

You may cancel participation in Managed Accounts at any time by completing the cancellation form available on line or by calling AAG at your Plan's existing toll-free customer service number.
