

On June 2, 2025, there will be a new investment fund option in the CERF Savings Plan available to members.

Causeway International Value Instl - Asset Class Category: International

Beginning June 2, 2025, members may choose to invest in this fund. For members enrolled in Empower's managed accounts service, the managed service may include this fund in your portfolio.

To change your future contribution allocations or move your current account balance to the new investment option, please contact Empower.
